This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are responsible for overseeing the Company's Financial reporting process.

Auditor's Responsibilities for the audit of Financial Results

Our objectives are to obtain reasonable assurance about whether statement as a whole are free from material misstatement, whether due to fraud or error, to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of the users taken on the basis of the statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether Company has adequate internal financial control with reference to financial statement in place and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by Board of Directors.

- Conclude on the appropriateness of Board of Directors use of the going concern basis of accounting and, based on the audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of auditors' report. However, future events or conditions may cause the Company to cease to continue as going concern.
- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represent underlying transactions and event in manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during the audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationship and other matters that reasonably be thought to bear on our independence, and where applicable, related safeguards.
